6 The area of 10 acres and 22 guntas had been given so long back as 1952 by the Ex-Bombay Govt to the applicant for agri-Silvi cultivation. But from the beginning he is cultivating in this land only food crops. In Views of this the Deputy Commissioner Kanara has recommended that this area may be given in favour of lessee himself for Tar cultivation With the usual conditions to be imposed by R.D after the area is actually disforested. Both R.D and Forest dept are agreeable to this proposal. Hence we may agree for this grant as proposed by the Deputy Commissioner.
